

Luring Visitors Project: Construction Crew NEEDED

Construct six (6) Information Kiosks, eight (8) Benches & conduct Landscaping @ four pull-off locations (near Cartwright Junction; north of PHS; St. Lewis Inlet & in Lodge Bay).

Work Outline:

- To construct six (6) kiosks (Design provided approximately 10w x 8d x 12h), Kiosks will also consist of shingle roofs, weather resistant wood, and long lasting stain. Email sadc@nf.aibn.com for design/picture.
- Eight (8) benches (cement or another material that cannot be removed, burned or easily destroyed).
- Remove brush, small trees at the target pull-off sites, and provide aesthetic appeal by planting caribou moss and low growing shrub, with a small drake of sample trees planted in one section that do not interfere with safe existing & entrance to highway.
- Erect Kiosks at target pull-off sites.
- Work to be completed within four - six weeks of awarding contract.

Who Can Apply?

- Construction Company with qualified Carpenter designated to be lead hand.
- Development Association that will hire qualified Carpenter to be lead hand.
- Municipality that will hire qualified Carpenter to be lead hand.
 - Provide Coverage for workers such as workers compensation and necessary insurance for construction projects

How to Apply?

- Provide Description & Cost of Labour,
 - Provide Cost of Construction, outlining materials to be used
 - Provide description of work to be undertaken with timelines to complete project
- Note: The work can be divided into two contracts, the application must specify the partners and identify what portions of the work is being done by whom, along with total cost associated with each partner.*

Selection Process:

Not necessarily, the lowest price applicant will be selected. Selection will take into consideration cost, and qualifications of those applying. Resume of Carpenter is not necessary prior to submission but is required prior to awarding contract to successful applicant.
